2. The Board has submitted plan and estimate for Rs 2000/- for the enlargement of the Double Lock Room at the District Treasury, S. Kanara for storing postal stationery and safe custody of valuables and has requested sanction for the estimate. In view of the present financial stringency and the high cost of building materials and labour, the Govt. are sanctioning only works which are absolutely necessary for the proper running of the Dept. In the present case, the postal and other stamps are valuable articles & it is reported that the present space in the Double Lock Room is quite inadequate for storing them
